A Little about Priest Appreciation Day

Priest Appreciation Day grew from an idea we had to generate awareness for our priests and provide them with a well-deserved and much-needed day of relaxation and appreciation. Each year it has grown in the love and support shown to our clergy. The many volunteers and sponsors who give of their time, talent, and treasure are just one part of the reason for its continued growth and success, but without your support, it wouldn't be possible! Thanks, on behalf of the CRN team of volunteers, to all the Priests and Clergy of Colorado for your service in Christ. Jim & Carolyn O'Laughlin, CEO
